Career Tech Scholarship Program Guidelines

- **Must have graduated from a partner high school (or completed home school in PTC's district) in the past two years.**
- **Complete an application for admission to PTC**
- **Provide evidence of good attendance while in high school**
- **Provide a copy of your final high school transcript with 2.5+ GPA**
- **Write a brief essay about your career plans**

Benefits of attending PTC after high school graduation include:

1. Monetary value
2. Skills to earn above average wages
3. College credits for most programs
4. Attend full or part time
5. Advanced standing toward additional education and training
6. Approved full time accredited programs qualify for Federal Financial Aid assistance
7. Great learning environment
8. Programs are taught by highly skilled professionals in training areas

\$\$\$\$\$ SCHOLARSHIP VALUE \$\$\$\$\$

This scholarship covers the cost of tuition, which varies from \$50 to \$5000 plus. It does not cover fees, books, equipment, etc. Students will still be charged for those costs, which may be covered with other financial aid sources.

Three adult programs (Practical Nursing, Paramedic, Advanced Firefighter) are not available for part time attendance. For part time attendance the student may need to spend two years to complete the program depending upon whether they have attended the technology center or another technology center during high school.

Career Tech Scholarship applicants must apply within the first or second year after graduating high school. PTC does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities. For inquiries concerning this policy contact the Director of Information Services or the Small Business Management Coordinator, 601 West 33rd Street, Ada, OK 74820. (580) 310-2200.
