YOUNG LEADERS AWARD

From the Archbishop of York Youth Trust

Build pupils' leadership skills and character

Grow confidence, teamwork, resilience and care for others

Empower pupils to serve their communities

KS3

Students complete 3 modules exploring:

FAITH **HOPE** **ACTION**

Investigate leadership skills, character, faith, inspirational leaders, the role of charities and what it means to bring hope to communities.

Transform communities putting skills into action through **personal, school-based and community projects**.

KS4/+16

Running The Race

Develop leadership skills and character virtues in preparation for work and life after school.

Choose a 3 or 6 module course designed around the concept of running a race, which gives theory and practical opportunities to develop these skills.

Serve the community through **Leadership Challenges**.
