RELEVANT FACT

PLÁSTICOS COMPUESTOS, S.A.

27 November 2019

By virtue of the provisions of Article 17 of Regulation (EU) No. 596/2014 on market abuse and Article 228 of the revised text of the Securities Market Law, approved by Royal Legislative Decree 4/2015 of 23 October and related provisions, as well as Circular 6/2018 of the Alternative Stock Market (MAB), we hereby inform you of the following information:

START-UP OF A NEW PRODUCTION LINE FOR TRADITIONAL PRODUCTS

During the fourth quarter of 2019, Kompuestos has started up a new production line for the manufacture of traditional products in one of its production plants located in Palau-Solità i Plegamans (Barcelona). The new production line has increased Kompuestos' total maximum nominal capacity by 51,000 mt to 220,510 mt.

This new production line will make Kompuestos' production process more versatile, and it will be easier and faster to adapt to market demand. The purchase of this production line was financed prior to the capital increase in August 2019.

We remain at your disposal for any clarification you may require.
