“THE SLAUGHTER OF ANIMALS WILL SHORTLY BE VIEWED AS A GREAT MORAL EVIL, AND DXE ACTIVISTS WILL BE HAILED AS HEROES.”

DIRECT ACTION EVERYWHERE

Your support for DxE is fueling our movement.

DxE is not a traditional nonprofit.

We are a movement.

We spend less than 5% of our budget on fundraising and management.

This means we can put the majority of donations toward groundbreaking campaigns and the people who bring them to life.

When you donate to DxE, you empower us to take on Big Ag in court and expose animal cruelty through mainstream media.

We're on a mission to achieve revolutionary social and political change for animals in our lifetime.

If that's your goal, too, then supporting DxE is the right investment.
