Are You Looking For Professional Cleaning Service In Chicagoland?

Are you tired of dealing with cleaning? Do you already have a cleaning service, but their work is lackluster, and you can't ever reach them? If you are looking for help, you've come to the right place. MJ Commercial Cleaning is what you're looking for.

We understand that keeping a business clean is vital to its health. A clean space makes a good impression on residents, clients, vendors and other visitors, and it is also more efficient. We recognize that it requires a lot of time and effort to take care of everything that is necessary to have a successful business and that every moment of your time is important. Let us give you back some of that time and free you up to spend that effort elsewhere.

Whether your business is large or small, we can handle all of your cleaning needs. From office cleaning to industrial cleaning, from hard floor care to window washing, and from dusting to full janitorial service, our highly trained staff are equipped to take care of all the services you require. When MJ Commercial Cleaning comes out, you can expect the highest quality.

When you are considering hiring a commercial cleaning and janitorial service in Chicagoland, you'll probably be thinking about quality, value and communication. When you hire us, you can expect all three. In fact, communication is integral to quality, and quality is what drives our value.

MJ COMMERCIAL CLEANING

When you talk with us, we will listen to what you want and plan around those needs. Our certified training, great work ethic and broad range of skills will speak for themselves.

Personalized Cleaning Service Plans

From the ground up, the service we provide is detailed and customized. We are available for 1-7 day weekly recurring jobs, and we work with you to plan out a schedule that works for you and doesn't interfere with day-to-day operations. If you have specialty cleaning jobs that aren't needed as often, they can be done on their own or incorporated into a routine cleaning schedule.

Certified and Continued Training

Every employee at MJ receives extensive training for the proper use of cleaners, procedures, and equipment. Each staff member takes certified courses through IICRC (Institute of Inspection, Cleaning and Restoration Certification), whose rigorous standards are accepted all over the world. Our carpet-cleaning technicians receive continued training online and seminars, so they stay up-to-date on the newest technologies in carpets and cleaning procedures.

Services Offered

Let us make your life easier with our detailed office cleaning, commercial cleaning, janitorial services and window washing. You can also save money and eliminate the hassle of ordering trash can liners and restroom supplies; we will manage that for you. Your flooring of any type will receive appropriate care, which can include restoration, cleaning, and preventative services. If you are moving into a new building, we even offer post-construction detail cleaning to get your new building ready for you. And of course, we proudly use green cleaning products and procedures for the health of you, your employees and the world.

MJ Commercial Cleaning is the choice for commercial and office cleaning services for office buildings, industrial, retail and medical. We provide cleaning in all surrounding areas: Chicago, Oakbrook, Hinsdale, Hyde park, South loop, Loop, Edgewater etc.
