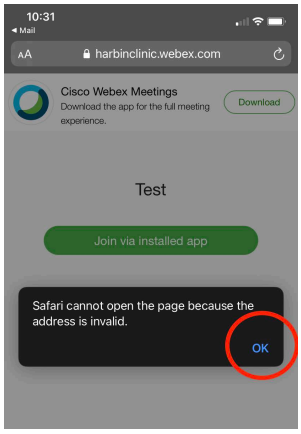
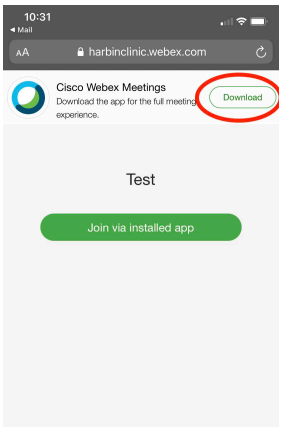
Accessing WebEx Meetings from an iPhone Mobile Device

1. To join the meeting, click the “Join meeting” button in your email or at events.harbinclinic.com.

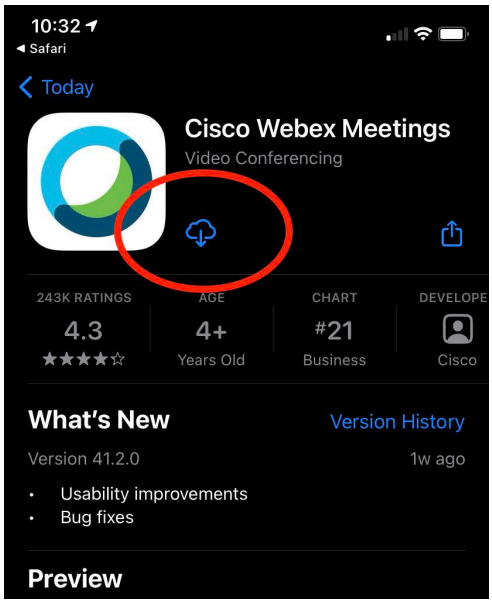
2. Once you have selected the link to the meeting, it should prompt the following screen.

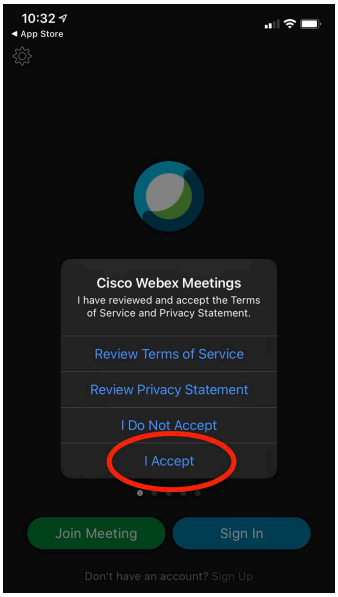




Select "ok" and then click "Download" in the upper right hand corner.

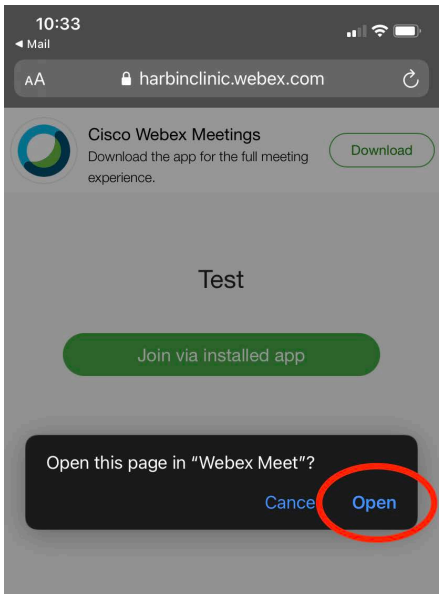
3. Download Cisco WebEx from the App Store. Open the application. Review & accept Terms of Service.



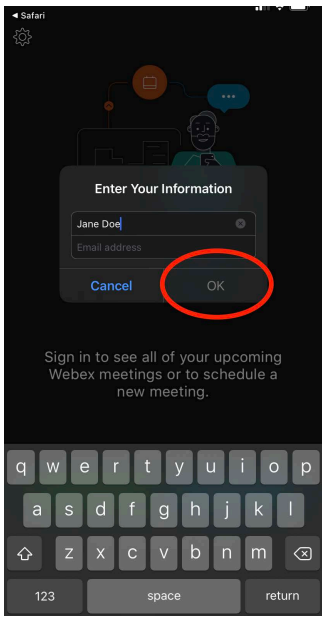


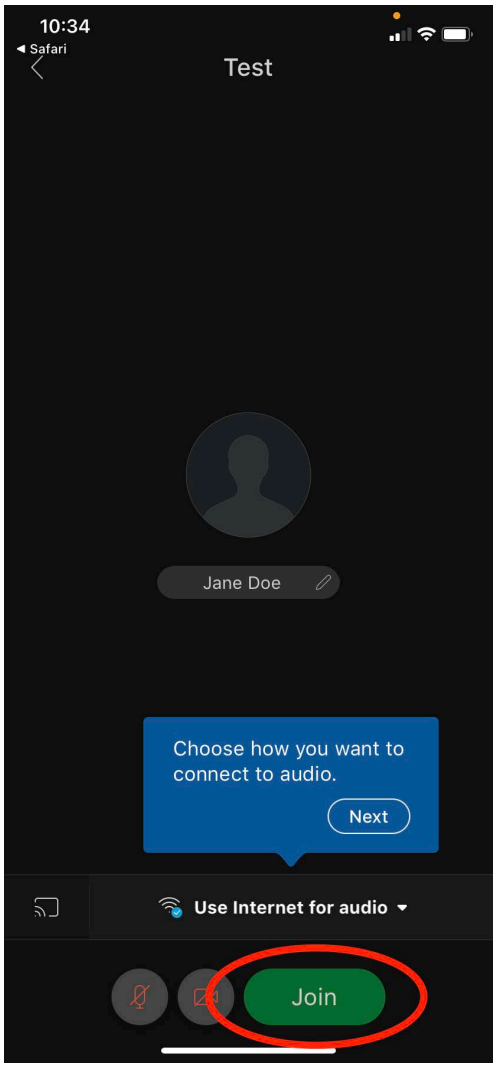
4. Go back to your email or events.harbinclinic.com and re-select "Join Meeting".

5. You'll receive a prompt to open the page in "Webex Meet." Select "Open."



6. Enter your name and email, and select "OK."





7. Make sure your camera is "off" and microphone is on "mute". Now you are ready to join the meeting. Select "Join."
