Thank You to
Kelly Josephite, Dana Levin-Robinson and Nina Strauss
for a spectacular, well-organized and festive HOLIDAY PARTY!

The gym was decorated like a winter wonderland as the children made their way from the arts and crafts tables where they decorated snowflakes and bells to the many clever floor games. There were reindeer antlers and holiday glasses to wear, an entertaining guitarist who played a mix of holiday and popular children's songs as Santa made his way throughout the party.
Thank you to the many volunteers who helped make this event possible!

The PCDS Annual Benefit is 3 WEEKS AWAY!

BULLETIN BOARD

Former PCDS Teacher, Justin LaRocca Hansen's Virtual Graphic Novel Workshop is back!

The Ten Week Workshop is for students ages 7-11 and 11-15 beginning Tuesday, January 10th and Thursday, January 12th

In each class students create their own comics while we break down how to tell a story through sequential art. We go over characters, inciting incidents, story structure, pacing, art technique and so much more.
Our goal is to learn about graphic novel storytelling, but more importantly to have fun and gain confidence when doing it.

Justin is a published graphic novelist and watercolor painter
