Annual Report (v2) (1/1/2017 to 12/31/2017)

Learning Plan Name
Annual Report (v2)

Cycle End Date
12/31/2017

Cycle Start Date
1/1/2017

Completion Date
7/3/2018

Submission Date
5/9/2018

Comments to Applicant
Wonky stats. They provided an explanation (9 candidates) and a technical report.
I.C.E. Staff

Exam Items
150 fixed

Explanation
Most statistics are of limited use and applicability with a sample size of 9. Item analysis did prove to be quite useful for additional subject matter expert review once performance data was available. All of the more difficult items were given careful review by contnet experts. The annual technical report is attached. A confidential version was also produced with item option information contained in the appendix in addition to p values and point biserial correlations.
