

## Hope City Mission Financial Literacy Workshops

### The two week budget workshop includes:

- The importance of planning and budgeting
- How to write a budget
- Budget busters
- Goal setting and the importance of dreaming
- Positive mindsets

### The four week financial literacy workshop includes the budget workshop topics along with:

- Prioritisation
- Everyday banking
- Dangerous debt / Scams
- Credit Cards
- Secured and unsecured debt
- Reading the fine print, consumer rights etc
- Resources, how to access funding support when in crisis

### Both workshops aim to give participants:

- 1 **Knowledge** to make informed choices
- 2 **Tools and skills** to plan and follow a budget
- 3 **Increased confidence**
- 4 **Vision to move from “day to day” to “future” living**
- 5 **Changing mindsets** - encouraging participants to develop a positive mindset which is resilient and willing to give things a go
- 6 **Empowerment to be a blessing to others** - teaching participants keys to help others while improving their current situation
- 7 **The ability to dream** - about your new future

## How to apply for a financial literacy workshop:

Contact Hope City Mission on **1800 865 299** to make an appointment.
