

## FUN AND EMPOWERING STUDENT CAMPS

Murray Life Adventures is an adventure camp and fun park on the banks of the Murray River. We tailor team building and leadership development programs for students.

### ACTIVITIES

On-site activities include;

- Climbing wall
- Giant swing
- Abseiling tower
- Flying fox
- Obstacle course
- Low ropes course
- Orienteering
- Chaos volleyball
- Blindfold lake canoeing
- River canoeing
- Bush surfing
- Fishing
- Team building activities

### FLEXIBLE PROGRAMS

We pride ourselves on tailoring fun and empowering programs to suit the needs of your students and school budget. Our sessions cater for students aged eight to seventeen. Retreat for a half-day excursion, or choose the full onsite camp experience. Typically, students absorb the learning and activities best over a two or three-day camp.

## OUR MANTRA IS: SAFETY, FUN AND LEARNING

### SAFETY

We take safety seriously. MLA facilitators are trained in safety procedures and run safety briefs before and after every activity.

### FUN

We bring fun and laughter into each activity, allowing students to learn new skills while participating in enjoyable activities.

### LEARNING

We teach by experiential learning. Students share their experiences and are given opportunities to learn through reflection.

## OUTCOME

School programs are provided in a safe and supportive environment, focused on teaching and solidifying life skills.

Students will be exposed to lessons in the following areas;

- communication
- breaking through barriers
- trust
- resilience
- respect
- listening
- self esteem
- confidence and more

Our mission is for every student to have learnt something new about themselves, the people around them, and the power of their thinking and choices.

## QUALIFICATIONS AND ACCREDITATIONS

We have a perfect record and are proud of operating for five years with no injuries. Our experienced team all have Working With Children Checks. Facilitators within the MLA Team are accredited in:

- First Aid
- High Ropes Facilitators
- Low Ropes Facilitators
- Bronze Medallion
- MLA safety procedures

MLA is fully insured and have undertaken risk assessment procedures for each activity. We are a member of Australian Camps Association.

## ACCOMMODATION AND CATERING

Accommodation and catering can be supplied depending on your needs, or students on day trips can bring their own lunch and snacks.

## CONTACT DETAILS

Please contact Fred Kirkpatrick with any questions or to tailor a program.
