Fort Point Can Offerings:

KSA "Light & Crisp Kolsch-Style Ale": KSA combines a thoughtful mixture of American bittering hops and traditional German malts to create a complex yet crisp take on the Kölsch style. Munich and Vienna malts construct the beer's robust, rich grain flavor, while Saphir and Warrior hops bring balance through a clean finish. KSA's old-school style blended with bright, updated ingredients, makes this beer a classic on both continents.

Park "Refreshing & Hopy Wheat Beer": A uniquely aromatic and refreshing beer, Park blends pilsner malt and pale wheat with Citra hops to create a modern interpretation on the witbier style. Bière de garde yeast elevate Park's tart, grapefruit flavors, yielding a fresh yet dry finish to this single hopped design. Park's pale sunshine color and clean flavor make this the perfect beer to enjoy on a picnic blanket or around the campfire.

Villager "San Francisco Style IPA": In the San Francisco spirit of innovation, Villager blends classic Northwest hops with contemporary ale yeast to establish a delicately constructed IPA. Villager's hop aroma is both citrusy and floral, complemented by notes of stone fruit and tropical flavor in the finish. A true expression of the cultural contrasts that embody our city by the bay, Villager brings a new twist to this West Coast style.

Westfalia "Nuremberg Inspired Red Ale": Westfalia packs rich, caramel flavors into a rounded, mahogany body through a colorful blend of creamy malts. Traditionally fermented at cooler temperatures, Westfalia's Rotbier style showcases a layered malt profile that creates a smooth, satisfying mouthfeel, perfect for any meal or enjoyed on its own. Inspired by a trip to Nuremberg, Germany, Westfalia imports an exemplary Red Ale style to audiences closer to home.
