The problem: How does a man keep his drink cold as the weather grows warmer?

The solution: Freeze the drink.

So we made a map that will lead you, *Goonies* style, to seven such drinks.

#### A. Scorpion Bowl | [Trad'r Sam's](#)

Dangerously alcoholic/delicious, at one of the last remaining proper tiki bars in the city. 6150 Geary Boulevard ([map](#))

#### B. Palm House Slushie | [Palm House](#)

Cow Hollow's best tropical frozen drink. Also machine-ready. 2032 Union Street ([map](#))

#### C. Pineapple Royale | [Tonga Room & Hurricane Bar](#)

Did we mention it's served in a pineapple? 950 Mason Street ([map](#))

#### D. Cracked Cola | [The Ice Cream Bar](#)

Like a Coke. With a cherry. And vermouth. 815 Cole Street ([map](#))

#### E. Grape Drank Slushie | [Brewcade](#)

It comes out of a machine and it's delicious. 2200 Market Street, #102 ([map](#))

#### F. Dr. J | [Chino](#)

Chino's description — "Like an Orange Julius for big kids" — gets it right. 3198 16th Street ([map](#))

#### G. Frozen Margarita | [Mosto](#)

A stylish frozen marg with top-drawer tequila. 741 Valencia Street ([map](#))
