For an average woman's head: Continue repeating Rnds 5 and 6 until the diameter of piece measures approximately 5½ to 6 inches around. When the desired diameter is reached, repeat Rnd 5 (sc, ch1 in each sc) until hat measures approximately 7 inches from the center of the crown.

For an average man's head: Continue until the diameter measures 6 to 7 inches.

When the desired diameter is reached, repeat Rnd 5 (sc, ch1 in each sc) until hat measures approximately 7-8 inches from the center of the crown.

Slip stitch in next sc, pull yarn through and cut. Pull tightly to secure, and weave in ends.

Helpful Hints: If your round looks wavy and not flat, you've increased too many stitches. Simple frog (Rippit) until the round becomes flat and continue.

This beanie pattern is wonderful for many reasons. 1). It is very forgiving, If you make a mistake, it is hard to see. 2). There is only one round that increases and repeats. This means you don't need to count on every round! 3).it looks like a knit pattern. 4). The beanie looks and feels very much like a knit beanie. 5.) Because the pattern calls for a large hook size, the beanie works up very quickly. Thus you can touch more lives!

Magic Loop Instructions

Step 1 To start a Magic Loop, don't make a slipknot. Instead, make a loop with the yarn, leaving a tail around 4inches long. Make sure the tail end is on the bottom.

Step 2 Now insert your hook into the loop, from front to back. Wrap the working yarn around the hook anticlockwise and pull the yarn through the Magic Loop.

Step 3 Now make a turning chain, the correct length for the stitches you want to work. In the example above, we've worked double crochet stitches, so we've made one chain for the turning chain.

Step 4 Now work your stitches into the Magic Loop, making sure all the stitches are worked over both the loop itself and the tail end (so two strands of yarn).

Step 5 Once you've worked the number of stitches you need, simply pull the tail end of the yarn to draw up the ring – magic!

Step 6 Close rnd with a slip stitch as usual.
