Our Knit & Knot-a-thon is just like a jog-a-thon, except the miles are beanies for cancer patients and blankets for fragile new lives in incubators. No running, only knitting or knotting (crocheting)!

(✔) Ask family and friends to pledge a dollar amount for every Beanie, PICC cover, or NICU blanket you make from September 11 to Veteran's Day, November 11, 2020.

(✔) You keep track of the number of caps that you make from September 11 to Veteran's Day, November 11, 2020

(✔) Collect your pledges and send them to Knots of Love. Please make all checks payable to Knots of Love. Paid pledges are 100% tax-deductible. EIN: 35-2345369.

(✔) Send your creations in as you make them or all at once.

(✔) Have a wonderful time creating and sharing our message of compassion and warmth. Knowing that you helped raised funds needed to warm the heads and hearts of thousands of patients and veterans in need.
