WARRANTY REGISTRATION FORM

Please fill out the Warranty Registration Form and mail or fax it to Danco within 15 days after purchase. This validates the warranty transfer and is essential for your protection. The National Traffic and Motor Vehicle Safety Act of 1966 requires that records be maintained of each vehicle manufactured by Danco. Prompt return of this card with the requested information will permit Danco to meet its requirement of the federal law. If Danco would ever need to contact you concerning compliance of your Danco equipment with any applicable safety standards, the information you have provided on the Warranty Registration Form will ensure your immediate notification.

It is Danco's recommendation that all truck chassis fitted with a Danco rollback, be taken to your local truck dealer for proper front end alignment before use. Improper front end alignment can cause damages to brake rotors, tires, etc. Danco will not be liable for any damage claims resulting from improper truck alignment.
