LEAN SIX SIGMA
Green Belt, 2019

RESUME OBJECTIVE

I am seeking an opportunity to demonstrate who I am and the leadership qualities I hold while improving my team and myself. I would love a position that allowed me the autonomy to solve challenging problems and make creative decisions, provide stern mentorship when needed, and for the responsibility of leading a team.

PROFESSIONAL EXPERIENCE

PRODUCT MANAGER

Cuddly | Seal Beach, CA | May, 2018 – September, 2018

- Collaborate with sales, marketing, customer support, design and development teams to collect product feedback, translate that feedback into deliverables, and prioritize their implementation.
- Utilized various data and metrics to drive product insights, recommendations, and decision making.
- Lead design and development teams from ideation to deployment and quality assurance testing.

PROGRAM DIRECTOR, UX & UI COACH

CodeREV | Irvine, CA | June 2017 – September, 2017

- Operated a technical program teaching programming concepts, front-end development and mobile application development to over 50 students.
- Led a team of 5 instructors in planning, documenting, reporting, and objective setting on a daily and weekly basis.
- Solved administrative and operational problems as they arose, interacted and worked with customers daily to ensure requirements were being met.

PROJECT LEAD, UX & UI DESIGNER

Freelance | Nationwide, USA | October 2013 – June, 2017

- Worked directly with clients to discover business needs, requirements, and technological functionality.
- Created sitemaps, wireframes, prototypes, visual designs, and fully developed applications
- Tested and cross-referenced designs to ensure cross-browser compatibility and W3 Compliance.
