Dear Friends of St. Frances Cabrini School,

St. Frances Cabrini School is a community gem. It is an independent, Catholic school that serves a diverse group of students. It is so inclusive a place where children in poverty as well as lawyers', doctors', and commanders' children attend as one. The school believes that each child can live up to their potential and every child is expected to do their best.

For over 65 years we have offered a rigorous academic program that promotes excellence and individual responsibility. It is a 21st century education with latest technology stepped in tradition of manners and respect.

Our Annual Auction Gala - one of the most highly anticipated community events of the year! - will be held on March 2, 2019. This event draws hundreds of generous patrons from our communities to raise funds for our operating budget. The result allows us to offer our amazing program at an affordable tuition, so every child has an opportunity at St. Frances Cabrini. A pillar to our event's success is sponsorship. Attached is a sponsorship benefits form and our Auction Committee is ready to answer questions or provide any additional information you may need.

We sincerely hope you will join us the night of March 2, 2019, in supporting St. Frances Cabrini as shape our students to become courteous, well-rounded, and upstanding youth. Our Families and Parishioners are loyal patrons of businesses that support our efforts. We hope to include you in the list of supporters we acknowledge in our marketing (print and web) materials all year round.

We are truly grateful for your participation and support. We realize there are many organizations reaching out for fund-raising events and we are thankful you have considered us to be recipients of your generosity. Please do not hesitate to contact me should you have any questions.

Thank you in advance for your generosity!
