HOW DO I PURCHASE A LOCAL PASS?

It's easy! Simply complete and return the order form along with your supporting documentation. **We need supporting document EACH year for each person. Your order will not be processed until we receive documentation**

Once processed, we will email you confirmation of your order and if required, post your Snow Pass Card (our electronic/RFID tickets).

WHY DO WE NEED TO PROVIDE SUPPORTING DOCUMENTATION?

This pass was introduced for local community use only to enable those in the designated areas above to utilise their winter recreational environment to the full.

These documents are required at the time of purchase and regardless if you have held a Local Pass in past seasons.
