

The Creed of Theta Chi

I believe in Theta Chi, its traditions and its ideals. Born of sturdy manhood, nurtured by resolute men, ennobled by high and sacred purpose, it has taken its place among the educational institutions of America as a promoter of knowledge, an advancer of culture and a builder of character. It inspires true friendship; teaches Truth, Temperance, and Tolerance, extols virtue, exacts harmony, and extends a helping hand to all who seek it. I believe in the primacy of Alma Mater, in the usefulness of my fraternity, in its influences and accomplishments and I shall do all in my power to perpetuate its ideals, thereby serving my God, my country and my fellow-man.

The Fraternity Anthem

It is to thee, dear old Theta Chi, we sing our songs of praise. It is to thee, our fraternity, that we our voices raise. And may we always respect thee, and may our faith ne'er die. May we all uphold the name of dear old Theta Chi
