

## SITES WITH NOTABLE RIDGE & FURROW WITHIN BURBAGE PARISH JUNE 2015

	Map ref. (2½"-233)	Location	Google Earth Evidence (c. 2011)	After visit (26.06.15)	BNP Site No
1	SP457907	At Hogue Hall	Large site, well defined	Confirmed	36
2	SP445924	On south side of Aston Lane, close to the village centre	Large site, well defined	Confirmed	24
3	SP442938	South of the Outwoods foot-path large field by railway	Well defined on NW side of field	Confirmed	14
4	SP400927	100m due north of BP garage on A5	Best defined close to railway track, otherwise patchy	Some confirmation but thick hedges	
5	SP422919	100m north-west of White House Fm	Still extant? Close to new Britannia Rd development.	Obliterated by residential development	
6	SP438919	East side of Bullfurlong Lane just below southernmost housing	Best defined on SE side of field	Some confirmation but thick hedges	Pink area
7	SP448918	Opposite Deepdale Farm beyond B 578 by M69 hedge	Well defined. Long and narrow	Hard to confirm owing to long grass	Pink area
8	SP446919	NW of Deepdale Farm adjacent to B 578	Well defined. Long and narrow	Largely confirmed	Pink area
9	SP447917	NE of Deepdale Farm adjacent to farm buildings	May be an extension of '8'. Small but well defined	No access	Pink area
10	SP425918	South of Sketchley Grange Hotel	Still extant? Small site to south of long white building	No access	08
11	SP452916	On lane opposite the junction of B 578 & Workhouse Lane.	Triangular field Faint in parts	No access	29
12	SP426920	To SE of hotel, diagonally crossed by bridle path.	Large field, patchy coverage	Hard to confirm owing to impenetrable hedges	07

### POINTS TO NOTE

- Observations have been made only from public roads and rights of way
- I have taken what seemed to be the best examples of ridge & furrow from Google Earth
- Burbage Neighbourhood Plan Environment section prepared
