We strive to offer a positive camp experience, but our camp does not provide programs that are therapeutic in nature and does not specialize in physical, emotional, social, or behavior challenges. Families will be best equipped to decide whether this camp experience is a good match for their child. Students with special needs are required to have a parent/guardian come with them as a chaperone. Due to limited resources we are not equipped to provide individual counselors for students with special needs.

HOW ARE WE RESPONDING TO COVID-19 YOUTH CAMP 2021?

With Summer Camp 2021 approaching we want to keep you informed in how we will be taking action to ensure the safety of all Camp attendees. We are firmly committed to helping protect the health and safety of our students, leaders and volunteers for Camp 2021. We are closely monitoring the changing situation and complying with Public Health guidance. We will be acting as follows,

- *We will be housing students with those from their own church and area.*
- *Students will be asked to wear a face mask when moving through the lines in the cafeterias*
- *We will limit capacity inside buildings.*
- *Signs will be posted to remind students to hand wash.*
- *We provide two RNs on the property to assist in any medical needs*

- We ask that ANY camp attendee (volunteer, student, leader, etc.) refrain from coming with any signs of fever, cough, or are otherwise sick. *(We reserve the right to turn away or dismiss anyone who shows symptoms)*
- We are asking that every church take students temperature at arrival time before their departure from the church to camp
- Contactless temperature will be taken at time of arrival to campgrounds.
- Number of students per room will be limited
- Limitations for number of students attending camp each week have been enforced.
- We will be implementing multiple social distance strategies for gatherings, and movement through our buildings.
- Door greeters to open doors into dining facilities
- Intensifying cleaning and disinfecting all social, and high traffic areas.
- Sanitizer and Hand washing stations will be available at every entrance of building
- We ask that each student bring his/her personal hand sanitizer.
- We will be re-enforcing everyone to avoid touching his/her face – especially eyes, nose, and mouth. As well enforcing everyone to cover their mouth with his/her elbow when coughing or sneezing
- Our team will be given sanitary gloves to use as they work with food and equipment.
- All sports equipment will be sanitized with every check-in
