

IT Conference on SAP Technologies

6th EDITION
05.10.2018

Call Of Speakers

We are pleased to invite you to submit a proposal for a talk at the 6th edition of the IT Conference on SAP Technologies, which will take place on the 5th of October 2018 at ClujHub in Cluj-Napoca. Each year we aim to bring together not only SAP enthusiasts but also passionate software developers that are willing to discover the SAP universe. We want to share the latest news and insights from the SAP ecosystem with the entire community. In order to do that, we promise a full day event packed with educational sessions, the latest SAP technologies & trends, engaging live demos and networking opportunities and we would like to invite you to be part of our special day.

To get a glimpse into the topics presented last year and to get a feel for the community, check out last year's conference website: <http://itconferencesap.com/2017/home>

If you have a topic of interest for the SAP community (e.g. related to ABAP, S/4HANA, UI5, HANA Native, SAP Cloud Platform, Analytics and so on) that you would like to share, we encourage you to submit a proposal here: www.itconferencesap.com

Please take into consideration the following submission requirements:

- Submissions should touch upon topics of interest for the SAP community (no vendor pitches)
- Your submission should detail the concepts, ideas, topics, findings you plan to present
- Individuals may submit more than one proposal but each proposal must be submitted via a separate submission form
- All presentations must be written and presented in English
- Track format: 30 minutes presentation and 15 minutes Q&A

We are looking forward to hearing from you.

Best regards,
