Itemized Pricing

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the goods and services you selected.

Basic Services of Funeral Director and Staff **\$2,495.00**

Our basic service charge includes, but is not limited to: staff to respond to initial request for service, arrangement conference with family or responsible party, preparation and filing of necessary certificates and permits, shelter of remains, placement of obituary notices, planning of funeral arrangements, and coordination of service with clergy, church, cemetery, crematory, vault companies, military, and others as required. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance, and utility expenses, establishment licensing, legal and accounting fees, equipment and inventory expenses, record keeping, licensed personnel, taxes, secretarial, administrative, and communications costs.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremations, immediate burials, forwarding or receiving remains, and all service and merchandise packages.

Embalming **\$1,095.00**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. If your loved one is not embalmed, he/she shall be buried, entombed, or cremated within thirty (30) hours after death or released by the proper authorities in accordance with Louisiana Law: R.S. Title 37, Chapter 10, paragraphs 848-D (2) & (3).
