

Careers in Depth Fees Illustration

Please see below for an example showing the possible service elements and typical range of costs for our clients. Please note that this is for illustration purposes only and that you will decide on a plan with your consultant at your first consultation.

EXAMPLE CONSULTATION PLAN AND FEES

Package of **3 – 5 consultations (3.5 - 5.5 hours)** of face-to-face (or web-based) meetings with a consultant:

- Ongoing email and phone support between consultations;
- guided 'home-work' to be completed at home between consultations to maximise the value of your meetings;
- access to career and psychometric tools to assist you with your exploration (free of charge where possible and at cost of materials where externally licensed);
- specialist interview skills training, if required; and
- access to a sector specialist (finance, business, entrepreneurial and media sectors) where relevant.

Please note that 3 consultations is a recommended minimum to and typically clients require around 5 consultations to address their issue and implement a plan. The average length of entire process is 3-6 months to allow for maximum benefit from 'home-work' and guided reflection between consultations.

Most clients achieve their desired results within this time frame. However the actual length and cost of the process will depend on your circumstances and the pace with which we are able to progress through the process.

Approximate range of service cost:

£450 - £720 for three to five face to face meetings and additional services. Cost reductions may be considered if consultations are to take place via Skype.

Please note the first meeting is face to face for establishing a working relationship.

If you require follow up support following the completion of the initial piece of work, any additional consultations will be charged at a lower rate.

Payment Terms

The costs above are indicative and relate to consultations held at local consulting rooms in London. If you would prefer to meet in a central London office this will incur an additional charge of £30 per hour of consultation charged pro rata.

The initial consultation lasts 1.5 hours and is charged at £195 at the time of the first consultation. This includes the setting up of a guided 'home-work' assignment, free assessment tools (where relevant), email and phone support for an agreed period following the meeting. Once a plan is agreed subsequent consultations will be arranged and charged at the time of each meeting.
