Our Family Are Here, To Help Yours...

The parent company was first established in 1909. Currently in its fourth generation of ownership, under the personal attention of Ross, Greg, Jodie & Trevor Hickton. The family and staff are here to guide and support you with the upmost care and guidance following the loss of a loved one.

Considering the recent publicity looking in to funeral costings, along with the government investigation we feel that as someone arranging a funeral it should be considered more than just the cost element when choosing a funeral director to care for you, and your loved ones.

We can provide;

- New and modern decorated funeral homes and offices with a warm and welcoming feel.
- A member of the Hickton family on hand and on call 24/7.
- The latest technology to communicate with our clients and administration within our funeral homes.
- Fully trained, qualified and dedicated staff.
- New and modern funeral vehicles maintained to a high specification.
- We offer expert aftercare bereavement support as part of using our services, at no additional fee.
- Exclusive partnership with Golden Charter Funeral Plans.
- We are proud to be one of only a handful of family owned funeral businesses in Birmingham.
