

Inspiring and educating the next generation of S.T.E.A.M. professionals!

ABCs and 123s

Ages 2.5-5

9am-10am: Tuesday, Wednesday, and Thursday

Full Semester: April 9th-May 30th, 2019

Learning was never this much fun when I was a child! Children will learn their colors, shapes, letters and numbers using DUPLO® bricks and other interactive learning toys during this fun program. This program is designed to reinforce the current curriculum being taught to preschoolers. To strengthen their knowledge in a playful manner, children are engaged in both structured and imaginative play during each session.

Jr. Engineers

Ages 3-6

10am-11am: Tuesdays

Full Semester: April 9th-May 14th, 2019

Young students build fun and simple models using DUPLO® blocks. By playing with and manipulating the models, they experience pulleys, levers, gears, wheels and axles while exploring energy, buoyancy, and balance. Classes include free-building time to promote creativity.

Planes Trains and Automobiles Jr.

Ages 2-6

10am-11am: Wednesdays

Full Semester: April 10th-May 15th, 2019

Transportation is all around! Cars, buses, trains, and airplanes are all important for communities and the world to stay connected. In Snapology's Planes, Trains, and Automobiles program, your little learners will explore the importance of transportation and build models of cars, trains, boats, and more using Kid K'NEX®. Most importantly, they will experience important social interactions while working with a partner and learning with the group. Get ready for your child to come home with a whole new set of transportation facts!

\$26 per Drop in Class or Save 20% for the full 6-week semester (\$125)

Discovering Dinosaurs

Ages 2-6

10am-11am: Thursdays

Full Semester: April 11th-May 16th

How is a Tyrannosaurus Rex different from a Triceratops? Is it just in their physical characteristics or is it also what they ate and when they lived? In Discovering Dinosaurs, your little paleontologists will explore what dinosaurs ate and when they lived while constructing their very own dinosaur model out of DUPLO® blocks. Through stories, building, and games, your little learners will be busy exploring the prehistoric world while gaining critical social and developmental skills without even realizing it!

\$26 per Drop in Class or Save 20% for the full 6-week semester (\$125)
