

2SC Executive Summary Document

The 2nd Street Commons exists to be a resource for local church ministries who desire to help the local poor and for individuals who want to help themselves moving forward in life.

Local Christ Centered ministries can schedule use of the 2nd Street Commons for specific purposes that serve the local poor and 'at risk' populations, or for discipleship training activities. The process and terms for 2SC facility use are outlined in the 'Using the 2nd Street Commons' document.

Individuals desiring to help themselves to live a healthier, more stable life may also utilize the 2nd Street Commons at certain times each day. The process and terms for using the 2SC facility are outlined in the 'Becoming a 2nd Street Commons Family Member' document.

The leadership of the 2nd Street Commons desire to help churches to have the opportunity to make a difference among the poor and at risk in our local community. Our leadership also desires to create a safe and loving environment for people to come to get help in helping themselves.

Volunteers at the 2nd Street Commons are a Jesus following people who have been through a vetting process with 2SC leadership. These volunteers are not perfect people, however they are committed to following Christ with increasing commitment, and to providing help to those who are willing to help themselves. People interested in becoming a 2SC volunteers can refer to the document 'Process for becoming a 2SC Volunteer'.
