

## 2<sup>nd</sup> STREET COMMONS GUIDING PRINCIPLES

The 2<sup>nd</sup> Street Commons provides a safe place of hospitality in the downtown Coeur d'Alene area where we seek to grow the relational capacity within our downtown neighborhood so that, as we care for one another, we may share space, resources, and the fullness of life.

The 2<sup>nd</sup> Street Commons exists to be a resource for local church ministries who desire to help the local poor and for individuals who want to help themselves moving forward in life.

In order to offer a safe space of hospitality, at the 2<sup>nd</sup> Street Commons, we commit together to:

-  Recognize that everyone is a precious human being
-  Welcome the stranger
-  Live prayerfully
-  Illuminate and encourage the gifts of each person
-  Give and receive friendship
-  Act respectfully towards others
-  Treat our house and community respectfully

### **Be A Volunteer!**

As part of our mission, our organization (KALEIDOSCOPE COMMUNITY SERVICES) is primarily run by volunteers. All of our helpers here at the 2<sup>ND</sup> Street Commons (visible and behind the scenes), are volunteering their time because they believe in what we're doing. Our doors stay open and we continue to grow because of the contributions everyone gives to our community space.

Let us know if you would like to get involved.

Pastor Gar Mickelson  
Executive Director, Kaleidoscope Community Services
