About Our Beneficiary:

Throughout her life, Mary Kay Ash showed others how to live and how to give. She gave hope to women who lacked opportunity and self-esteem, and financial support to the causes she believed in. Although she is no longer with us, her legacy of love continues through The Mary Kay FoundationSM, which she began in 1996. The mission of TMKF is two-fold:

- Eliminating cancers affecting women by supporting top medical scientists who are searching for a cure for breast, uterine, cervical, and ovarian cancers.
- Ending the epidemic of violence against women by providing grants to women's shelters and supporting community outreach programs.

Since its inception the Foundation has awarded more than \$26.8 million to cancer research and related causes affecting women and \$46.9 million in grants to women's shelters and other domestic violence organizations.
