2020

PROFESSIONAL EXPERIENCE

Web Developer Intern at Wunderite

Jan 21, 2020 — Current

Added pages to Wunderite's marketing website using React and GraphQL. Worked on the dev team to update the Wunderite web-app using Laravel and Vue. Participated with team members in *Techstars Boston 2020*. Made an internship blog to track my progress (elliotyong.netlify.app).

Web Developer at The Pub

Aug 28, 2019 — Current

Designed *The Pub* website in Webflow and converted it into a PWA using Gatsby, Prismic, and Netlify (wheatonpub.com).

Web Design Intern at Bureau Gravity

May 15, 2019 — August 15, 2019

Redesigned client websites. Wrote and tested Javascript tools that scraped data for site migration. Prototyped a dynamic directory using Vue, PHP, and Wordpress. Contributed to commercial photography projects and client graphic design. Redesigned the *Bureau Gravity* website (bureaugravity.webflow.io).

Graphic Designer at Wheaton College

Aug 12, 2018 — May 12, 2019

Created design and photo work for *Wheaton College*, using Affinity Designer and the Adobe Creative Suite. Managed all digital and print promotion material for over 30 unique campus events (efonov.com/projects/college-union-lliii).

Volunteer for InkubasiaLAB with Uncharted.org

Summer 2018 & 2017

Translated Russian and English for a business model validation bootcamp in Bishkek. Made a montage using, drones, gimbals, mirrorless cameras, and Final Cut Pro (youtu.be/bvztY1KMw8).

Additional professional experience includes freelance photography, graphic design, web design projects, and software development (efonov.com/projects).
