EXTERNAL COLLABORATORS NOTICE

## GLAWCAL-GLOBAL LAW INITIATIVES FOR SUSTAINABLE DEVELOPMENT

*gLAWcal - Global Law Initiatives for Sustainable Development is an independent non-profit research organization (think tank) that aims at providing a new focus on issues related to economic law, globalization and development, namely the relationship between international economy and trade, with special attention to a number of non-trade-related values and concerns. Through research and policy analysis, gLAWcal sheds a new light on issues such as human rights, right to water, rights to food, social, economic and cultural rights, labour rights, consumer protection, climate change and environmental matters, energy, product safety, food safety and security. Moreover, through an established network across the European Union and Asia, gLAWcal carries on several projects and disseminates its results through conferences, workshops and publications.*
