

MARCH FOR SCIENCE

Supported by:

A VOTE FOR SCIENCE IS A VOTE FOR KNOWLEDGE AND PROGRESS BASED IN REALITY

We come together to celebrate the crucial roles science plays in driving economic growth, preserving our environment, and protecting the health of citizens. We unite as a diverse, nonpartisan group to call for science that upholds the common good and to advocate for evidence-based policies in the public interest at local, state and national levels.

JOIN THE MOVEMENT!

TIME: 10AM - 1PM
DATE: APRIL 14, 2018
1025 S. 1st St., Las Vegas
(Arts Square)
