

MARCH FOR SCIENCE

DATE: 4/14/18
TIME: 10AM - 1PM

1025 S. 1st., St.
(Arts Square)

A VOTE FOR SCIENCE IS A VOTE FOR KNOWLEDGE AND PROGRESS BASED IN REALITY

We come together to celebrate the crucial roles science plays in driving economic growth, preserving our environment, and protecting the health of citizens. We unite as a diverse, nonpartisan group to call for science that upholds the common good and to advocate for evidence-based policies in the public interest at local, state and national levels.
