

**USAGE DIRECTIONS:**

**RENEW** can be directly applied to waste water ponds through direct injection.

**DAIRY PONDS: per 1000 heads**

Maintenance rate is 8 gallons **RENEW** per week, per 1000 head of cattle.

**HOG BARNs: per 1000 heads**

Maintenance rate is 3 gallons **RENEW** per week, per 1000 head of hogs.

\*\*\*\*\* **IMPORTANT NOTE** \*\*\*\*\*

Initial rates of **RENEW** vary upon amount of solids contained in waste water pond at startup.

Increased amounts of **RENEW** should be utilized in a startup condition if there is a significant amount of solids currently in the waste water pond.

Consult with your product distributor for additional information.

**GENERAL INFORMATION:**

**RENEW** is a specific blend of carbon, energy and oxygen that promotes aerobic bacteria activity and conditions which produces a balanced environment for microbiology to work.

Aerobic bacteria require oxygen to survive and digest solids faster than anaerobic bacteria and reduces the amount of hydrogen sulfide produced by anaerobic bacteria.

**RENEW** promotes mineralization of nutrients in the pond which increases the availability of these nutrients for crops.

**RENEW** breaks down solids by enhancing aerobic bacteria with energy and oxygen which stimulates the consumption of solids in waste water ponds and increases readily available plant nutrients contained in the solids that are now more manageable in a thinner liquid state.

**RENEW** is easily applied directly to the waste water pond through direct injection and immediately starts to work on balancing the environment by promoting aerobic bacteria.

**DO NOT MIX THIS PRODUCT WITH FUNGICIDES, BIOCIDES, OR OTHER PRODUCTS CONTAINING HEAVY METALS.**

**DO NOT STORE PRODUCT IN DIRECT SUNLIGHT**

**PROTECT PRODUCT FROM FREEZING**

**AGITATE PRODUCT THOROUGHLY PRIOR TO USE**

**KEEP OUT OF REACH OF CHILDREN. HARMFUL IF SWALLOWED. AVOID CONTACT WITH SKIN, EYES OR CLOTHING.** In case of contact immediately flush skin, eyes or clothing with plenty of water for at least 15 minutes.

**WARRANTY: Carbon Works, Inc. does not make a warranty of any kind, expressed or implied, regarding the use of this product. Agronomy practices, weather, soil and water differences, other unknown conditions, all of which are beyond the control of Carbon Works, Inc., render the user responsible for all risk of use of this product.**

**Net Contents 250 gallons (946.3 liters)**

**9.0 lbs. per gallon (1079 grams/liter) @ 68o F**
