Work Experience

- Bringhub** **UX/UI Designer**
Aug 2017 - Apr 2018
Responsible for designing a white-label distributed-commerce solution, used by eBay, along with other major online retailers. Designed the "SmartCart" - a universal distributed-commerce solution, from wireframes, to final, polished design, as well as performing remote and in-house usability tests. Worked in collaboration with Front-End and Back-End developers, as well as Business developers, to develop the ultimate distributed-commerce solution which will be both useful and valuable to the users, as well as will generate revenue and will comply with the business needs and legal requirements. Designed Admin Dashboards to create, modify, and edit online marketing campaigns for leading brand names.
- Freelance** **Freelance UX/UI and Visual Designer**
2014 - 2017
Designing full branding packages, micro-sites, landing pages, social media pages, banners, and logos. Experienced with UX/UI; Conducting market research, A/B testing, prototyping, and wireframing. Proficient HTML & CSS and have knowledge of JavaScript and jQuery.
- Brand The Globe, (Culver City)** **Graphic Design Intern**
Apr 2016 - Jul 2016
Participated in a 3 months internship program. Designed social media campaigns for various brands the agency is collaborating with, while putting an emphasis on attracting web traffic. Designed the new logo for the agency.
- Israeli Consulate** **Security Coordinator, Israeli Consulate General, Los Angeles**
2015-2017
- Israeli Airport Authority** **Security Officer, Tel Aviv Airport**
2010 - 2015
- Israeli Air Force** **Helicopter Computer Systems Technician**
2006 - 2009

Education

- Santa Monica College** **A.S, UX Design and Graphic Design**
2015 - 2019
Associates of Science in User experience design for web and mobile. Web development (HTML, CSS, JavaScript).
- Santa Monica College** **Certificate of Achievement, User Experience Design (4.0 GPA)**
2016 - 2017
A thorough study of UX and interaction design. Conducting user research and designing user-focused interfaces. Collaborating as a team member on several projects, and effectively communicating with clients.
- John Bryce Technological College (Tel-Aviv, Israel)** **Certificate, Graphic Design for Web, Mobile and Print**
2013 - 2014
Diploma in Graphic Design for Web, Mobile and Print, with an emphasis on the marketing world.
