16-00103	Grey	50 x 5 x 1,2 cm	
Packed	1 pcs pp bag		bulk packed per transport box
Where:	All smooth and sealed hard top floorings for hygienic cleaning results: e.g. healthcare, nursery, school, university, office, public building, food industry, hospitality, residential, pharmaceutical and cleanroom areas.		
How:	In conjunction with Rekola Reflex swiveled squeegee		
	Rekola Reflex TPR refill comes in 2 shapes as replacement for the sharp TPR blade in the squeegee. 16-00102 is similar to original supply, while 16-00103 has a modified shape for uneven surfaces.		
Mount:	Tools required: knife and small hammer. The set comes with a new pin which fixes the blade within the channel for rubber blade. Using a sharp knife the "head" of the pin in the squeegee can be cut off and pushed out. Now the blade can be simply exchanged. Fix the new blade inside the squeegee with the supplied new pin.
