05-0256	yellow	42 x 30 cm	Rekola Reflex UMF standard waffle cloth Multiple use 38 grs
Packed	5 pcs pp bag 		40 pcs 10-pack per transport box
Where:	All smooth and sealed hard top surfaces for hygienic cleaning results: e.g. healthcare, nursery, school, university, office, public building, food industry, hospitality, residential, pharmaceutical and cleanroom areas.		
How:	For preparation on a cleaning trolley charge cloths in a closed container such as a 6 Ltr. rectangle bucket with lid. Put the cloths inside and pour the desired fluid equally over the cloths, leave for a while with closed lid. Alternatively charge cloths in a washing machine , by adapting the spin cycle of the final rinse. Avoid overdosing, bleach and softeners		
Charge:	With clean water; optional diluted with UMF suitable chemical according to the manufacturer's instructions. <i>Please be aware that some chemicals may cause damage to user, material and environment.</i> Depending surface circumstances charge the cloths with 50-100 ml per cloth. Regardless of the charging liquid: avoid overdosing.		
Eco Labeled:	 3083 0027		

REKOLA

Maintenance	
Laundry:	
Washing:	Rinse twice to ensure all cleaning chemicals are removed. Main program for synthetic fibers at 95°C, for environmental reasons at 60° C or less is preferred. Rinse twice to ensure all laundry agents are removed. Adjust temperatures and water volumes accordingly.
	Tumble dry at low heat.
	Do not use bleach or softener.
	Low water level during processing or overloading washing machine (max 80% of door window) may cause irreversible damage to cloths.
Disinfection:	Non- bleach disinfectant* laundry agent and autoclaving may be used if required *e.g. peroxide based; this may affect colors.
Durability:	500 washing cycles. Rough surfaces like safety flooring will reduce lifetime expectations.
Disposable:	Rekola Reflex UMF Standard waffle cloths are purely synthetic: may be used for recycling programs; or because of their high energy value and with no emissions other than CO ₂ and water can be safely disposed by controlled energy-supply programs.
Components	
Body:	100% split Ultra Microfiber, 80% PES 20 PA and F= 0,154 Dtex.
Characteristics	
Shrinkage:	< 5% at recommended washing instructions.
Color fastness	4. <i>standard request ≥ 3-4</i>
Charging	5,4 DAC value. <i>standard request minimum 2,5</i>
Abrasion	7,4 Gloss differential. <i>standard request < 20</i>
Weber&Leucht	Varnished wood Dust A23 Dry 93 % <i>standard request ≥ 85</i>
S301/1.3	Glass Dust A23 Damp 90 % <i>standard request ≥ 85</i>
dirt removal	Ceramic Tile Bathroom dirt A17 Damp 90 % <i>standard request ≥ 85</i>
Bacteria reduction	E-coli 99,9% log 3,0 S.aureus 99,36 log 2,19
Guarantee	
500 times use and wash in general hygiene cleaning circumstances Extended usage can be achieved if optimal laundry and cleaning conditions are considered. For instruction and details ask your distributor.
