Dear Sir/Madam:

RE: Ministry Review of Wataynikaneyap's New Transmission Line to Pickle Lake Project  
Amended Environmental Assessment  
Notice of Completion  
EAIMS No. 13025

---

Attached is a *Notice of Completion of Environmental Assessment Review*, which pertains to the above Amended Environmental Assessment (EA) and is given as required by section 7 of the Environmental Assessment Act. The Review is available for public inspection on the Ministry's website at <https://www.ontario.ca/page/new-transmission-line-pickle-lake>. A hardcopy will also be sent to you.

The Notice clarifies the procedures for making a submission or requiring a hearing on the Amended EA or the Review and sets out the decisions to be made under the Environmental Assessment Act, with regard to this undertaking.

Please make this Notice and the attached information available, during your normal business hours, for public inspection, for the duration of the approval process for this Amended EA.

You will note that the expiry date for receipt, by the Ministry of the Environment, Conservation and Parks, of submissions or requirements for a hearing under this Notice is October 5, 2018. After that time, you will be kept informed of the status of the Amended EA and the Review when a final decision is made.

Sincerely,

A handwritten signature in black ink that reads "Sasha McLeod".
