Financial Policy

Thank you for choosing Anantuni Family Dental to serve your dental care needs. We provide high-quality dental care to our patients and are committed to your treatment being successful. Please understand that your financial obligation is considered a part of your treatment. In the interest of good dental care practice, it is desirable to establish a credit policy to avoid misunderstandings. To assist our patients, we offer the following methods for taking care of their account in our office.

- On your first visit we expect you to supply our office with your insurance information and a photo ID. If any changes should occur during the time you are a patient, it is your responsibility to inform our office with any changes. Our office will not be responsible for claims submitted to insurance companies by which you are no longer covered.

- As a **courtesy**, we will gladly bill your insurance. While we accept most insurance plans, and are happy to aid in submission of your claims, it is your responsibility to read your policy and understand that this is a contract between your employer, your insurance company and yourself. Please be aware of some and perhaps all of the services rendered may be not covered by your individual plan and you are ultimately responsible for the payment on the account.
- We cannot accept responsibility for collecting an insurance claim after 60 days or for negotiating a disputed claim. If no payment is received on an account after two monthly statements our office will make every effort to contact the responsible party. If the party responsible cannot be reached, a third bill will be sent indicating that **“This will be the final notice for payment”**. If the party fails to contact our office after receiving such notice, the account will be sent to a collection agency.
- We ask that you either pay your estimated patient portion of the bill at the time of service, or that a suitable written financial arrangement be reached at the time of service. We accept cash, all major credit cards, personal checks, and financing from Care Credit. For all checks returned due to **non-sufficient funds**, there will be a \$35 fee added to your account.
- If an insurance company pays more than anticipated creating a credit for the patient, we are happy to either refund the patient or leave the credit on the account to be applied toward future treatment.
- The original dental record, including but not limited to treatment notes, x-rays, study models are the property of Anantuni Family Dental. These originals will not be released to patients or other healthcare providers, without written request. I understand that a \$25 fee may be applied to my account for duplication of my dental records and x-rays.

Delinquent Accounts

On occasion, after repeated attempts to collect a balance due, we may need to turn an account over to a collections agency. Should this occur, it is agreed that the financially responsible party listed below shall pay all finance charges, collection cost, attorney fees and any other costs that may be incurred to enforce collection of any amount outstanding. In addition, a 35% collection fee based on the balance of the account will be added.

Failed or Cancelled Appointments

If an appointment has been reserved for you, we kindly ask that patients give us 48 hour notice for cancellations; otherwise, we reserve the right to charge a minimum of **\$50 per hour** of scheduled appointment. If the appointment is with a specialist, the minimum fee is **\$75 an hour**. We will only offer appointments **SAME DAY** to patients who fail multiple appointments without having given us proper notice.

I confirm that I have read and understand this form or it was read to me and all of my questions have been answered to my satisfaction.
