February 7 - March 28, 2019 (Thursdays, 9:30 -11 am)

Theme:

The Supremacy of Christ

Description:

In previous semesters we have adopted the curriculum of published books and we have grown in our prayer life, learned how to listen to the voice of God, and how to worship through the tabernacle. This semester is special. For this winter semester we will learn more about who God is, the supremacy of Christ, and how we can live a life that exalts Christ above all. Our lessons will be designed by our very own New Life Teachers so get ready! We are on a journey to know God more personally and all the insights you will see along the way will lead you closer to Him.
