EXPERIENCE

Senior Product Designer @ Lingo by Noun Project

August 2015 – Present, Los Angeles

Owned every aspect of the product's design—from researching user problems to shipping well-tested and cohesive experiences. Contributed to defining the overall business strategy. Worked cross-functionally to arrive at the best possible solutions. Led the design team.

UX/UI Designer @ Kluge

November 2014 – August 2015, Los Angeles

Led projects and client presentations. Created wireframes, user flows, prototypes, and other design artifacts to depict possible solutions. Worked with Developers on implementation details. Managed the design team.

Senior Digital Designer @ Machinas

November 2011 – September 2014, Barcelona

Acted as second-in-command on the team that catered to HUGO BOSS's eCommerce business. Worked on a redesign of their online store. Partnered with PMs to understand client needs. Mentored junior designers.

Graphic Designer @ 3 Companies

October 2009 – October 2011, Portugal and Spain

Worked in-house at 1,000+ employee companies. Worked at a client services agency. Serviced Marketing and PR departments. Produced digital and analog design deliverables. More at: www.linkedin.com/in/henriqueourique
