Vocantas Sponsors TELUS Ride For Dad Free PSA Clinic

Saturday May 4, 2013, The Ottawa Hospital, General Campus

Ottawa, Ontario – April 25, 2013 – Vocantas invites you to join TELUS Ride For Dad and The Ottawa Hospital Foundation on Saturday, May 4, 2013 at 9:00 am at the General Campus of The Ottawa Hospital – Critical Care Wing, for their FREE Prostate-Specific Antigen (PSA) clinic.

Prostate cancer is the most common cancer affecting Canadian men. A Prostate-Specific Antigen (PSA) test is one of the simplest and quickest ways to help detect prostate cancer in men.

Vocantas is pleased to partner with TELUS Ride For Dad and The Ottawa Hospital Foundation for this second annual Free PSA Clinic. We want every man to get this life-saving test. With early detection, 90 per cent of cases can be treated. The few minutes spent getting the test might end up saving your life!

Please bring your Health Card and your green hospital card. Parking is free in the Critical Care Wing parking lot. For more information on the free PSA clinic [click here](#).

About Vocantas Inc.

Vocantas is a leading developer of hosted and premise-based interactive voice response solutions (IVRS) using advanced computer telephony and speech recognition technology to provide businesses and service providers with more efficient outreach capabilities. Vocantas solutions help organizations in the higher education, utilities, healthcare and customer service environments improve outreach and engagement while reducing operating costs.
