## Giacomo Fenocchio Barolo Villero 2010

Posted on 03 July 2016.

Two things of note here. The first being I had no idea this producer made it down under. The second was that with regards to 2010 Barolo, surely, surely!, I'd got to the end of it with Roagna. But no. Bought some of this, along with their Bussia and Cannubi via an offer from the City Wine Shop. From 60 year old vines, includes some Nebbiolo Rosé, which is a different grape to Nebbiolo (Lampia and Michet), though closely related. Importer: Distillery Works.
