

ICELAND MARATHON, HALF or 10K

Race Date: August 22, 2020

Registration Starts January 18, 2020

We timed our trip to Iceland so that runners could add on the Reykjavík Marathon, Half Marathon or 10K. To participate in one of these running events, you would want to fly in early (to Keflavik Int'l. Airport, KEF) arriving on **August 21st**. We'll handle your transfer from the airport to Reykjavik, treat you to a hearty pasta dinner, and book an extra night of lodging for you so that you will be ready for the run on August 22nd.

The other travelers in our group (non-runners) will be arriving on August 22nd, and will check in at the same hotel. Our 6-day tour of Iceland starts the next morning from here.

Added Cost:

\$345 per person

Includes airport transfer, group dinner, one night additional lodging (double occupancy), and race-day breakfast.
