

# RED & WHITE

Words & music by Justin Gray & Bryson Breakey  
Key: D | 147 bpm | 4/4

## VERSE 1

From dust and clay he made us,  
In the perfect garden laid us,  
And from sins of scarlet saved us,  
His garment's red, my robe is white

## VERSE 2

The shining light in darkest hour  
The righteous rush into his tower  
And through him death has been  
devoured  
The Son of God our sacrifice,  
His garment's red, my robe is white

## VERSE 3

In his grace the saints are anchored  
The cross and nails the sinner's payment  
The empty tomb, our sure salvation  
The Son of God our sacrifice,  
His garment's red, my robe is white

## BRIDGE

Be - hold, the Lamb of God  
Who takes our sins  
Takes our sins away  
Who takes our sins away  
Be - hold, the Lamb of God

Who takes our sins  
Takes our sins away  
Who takes our sins away

## VERSE 4

At his throne of vict'ry seated  
We'll finally feel our hearts completed  
With open arms our king will meet us  
In garments red, and glory bright!  
In garments red, and glory bright!  
His garments red, our robes are white!

Behold, the Lamb of God  
Who makes our sin as white as wool  
Behold, his precious blood  
That has the power to save my soul
