

Hurricane

by Joe Cook, *Awoke & Raised*

Cape 4
Key of C

Verse 1

You can't stop these waves,
Grace coming on like a hurricane
You can't stop this flood,
Mercy poured out in a blood bought love

Verse 2

You can't stop this tide
Grace coming on like a full moon night
You can't stop this rain
Mercy poured out on the broken and the raised

Verse 3

You can't stop this wind
Love rising up to conquer every sin
You can't stop this storm
Faith rising up by the spirit of the Lord

Chorus

He makes daughters out of orphans
And orphans into sons
Leaves ninety nine in safety
Just to rescue one
He adopts the broken hearted
And lets the blind man see
Lets loose his Grace and Mercy
Like a Hurricane set free
Like a hurricane set free
