Verse 2

Are you ready to run and run strong

When your weakness catches up and road seems long

Are you ready to hold and hold strong

When the floods wash down and chances are gone

Are you ready to stand and stand strong

When the darkness closes in and the battles roll on

Chorus

Run into the arms of the one who will save you

Run through the water that can't over take you.

Run to the father the one who adores you

Run this race for the prize set before you
