

## Easy Chair

by Joe Cook, *You Are the One We Are Waiting For*

*Intro*

**C F C G**

*Verse 1*

**F C G C**  
He came to me in golden dream  
**F C G C**  
I looked in his eyes and saw they were kind  
**F C G C**  
He never spoke a word but I know what I heard  
**F C G C**  
He never said his name, but I knew why he came

*Chorus*

**Am G F C**  
Jesus sat in my old easy chair  
**Am G C F**  
The scars on his hands paid for my share  
**Am G F C**  
For the debts that owed for the wrongs I have done  
**G C G C**  
To carry me home and make me a son

*Verse 2*

I saw my own face in reflections of grace  
In the tears he poured out cause a son had been found  
He never spoke a word but I know what I heard  
He turned to leave and I woke from the dream

*Chorus*

I'll never forget what he never said  
The tears in his eyes the forgiveness he cried  
He never said his name but I knew why he came  
He turned to leave, I knew I was free
