## Verse 1

When darkness surrounds me, You are good  
**C (F)**  
When weariness confounds me, You are good

When my rope is at its end  
**F (Bb)**  
When my heart can't beat again  
**G (C)**  
You are good  
**C (F)**

## Chorus

You are good to me  
**F (Bb) G (C)**  
**C (F)** **Am (Dm)**  
And your love it gives me strength to rise again  
**F (Bb) G (C)**  
You are good to me  
**C (F)** **Am (Dm)**  
And your hope it gives me joy to dance again  
**F (Bb) G (C)**  
You are good to me  
**C (F)**  
Always

## Verse 2

When the light breaks through the clouds, You are good  
**C (F)**

Your love comes rushing in  
**G (C)**  
You are good  
**C (F)**
