

Learning Review Meetings 2017-2018

Whole School

Dear Parents

Thank you so much for taking the time to complete the questionnaire at Parents Evening. Our last OFSTED was April 2015 so we will be expecting Ofsted to come again probably this year or next year. Your responses to questionnaires will allow us to show them how we work as one whole community to support our children's learning as well as the progress we are making in improving the school.

As you know, we are always striving to provide an outstanding education for your children and appreciate the way you work with us. Your feedback and support is, therefore, very important to us as we always try to focus on areas that you may feel need improving. In 2015-2016 your feedback showed that we needed to improve in two particular areas:

- **Communicating Progress**
- **Advice for parents about how to help your child at home**

Over the last two years we have been working to improve in these areas. Below you will find the feedback from this year's questionnaire on all the questions asked and a chart showing the progress we have made over the last two years on the two specific areas.
